

ProServiceIT's Growing Reseller Channel Continues to Broaden

ProServiceIT's comprehensive technology solutions offers members new benefits.

ProServiceIT, a leading provider of comprehensive technology solutions, announced today that it has finalized an agreement with a national Accounting and CPA Association. Under the terms of this agreement, the two companies will work cooperatively on joint marketing ventures and lead generation initiatives. Member clients will receive onsite hardware maintenance offerings for both next day and 24X7 coverage options at substantially discounted rates.

We strive to provide our customers with solutions that dramatically reduce their costs and the complexity of building a reliable, sophisticated IT infrastructure," said Ed Crawford, Sales Executive for ProServiceIT. "Our nationwide service solutions extend our commitment to their members by eliminating unplanned downtime at a cost effective price."

ProServiceIT provides nationwide onsite hardware maintenance and operating system support utilizing their network of technical account managers, major hardware suppliers, and the onsite labor resources of over 10,000 field service engineers located across the United States and Canada.
